

## Wilderness Canoe Base

# Youth Ministers Retreat March 1-4, 2012

You don't need a doctor's note. You are being excused from your everyday routine by God's Grace and Wilderness Canoe Base. Take some time to relax, re-energize, and re-group this winter. Wilderness is offering a FREE retreat for Children, Family & Youth Ministers from March 1<sup>st</sup> – March 4<sup>th</sup>, 2012. We will provide hot meals, plenty of wood for the fireplace, warm cabins & hot cocoa. If you'd like to get outside and enjoy winter in the Northwoods, we will have snowshoes and cross country skis available for you to use. A traditional Finnish sauna will also be an option for those willing to brave the chilly weather! Come enjoy a good book, great conversation, or just some long sought after solitude time. Feel free to bring materials to work on some continuing education, or a novel to indulge in some personal time. This is the perfect opportunity to take some time to reconnect with yourself and your God. This is our thank you to you for your faithful commitment to the youngest in the Kingdom of God.

You are invited to attend any amount of the weekend, and immediate family members are most welcome!\*

Please RSVP by Feb. 13th

During Friday evening and Saturday there will be a canoe paddle making group. Please indicate with your RSVP that you'd like to participate. Paddles will cost \$65.
